### PSI Chapter Additional Testing Program

Dear Parents,

We are honored to work with PSI Chapter of DKE at The University of Alabama for their health and wellness drug testing program. The program tests all new pledges and a random selection of brothers. There are three test dates during each academic year.

If so desired, you may sign up your student for guaranteed testing. This would pull them from the random pool and ensure that they would be tested at all three test dates. If you would like your student to be included in this insured testing program, please complete the section below.

Student Name: \_\_\_\_\_

Parent Name: \_\_\_\_\_

Parent Signature: \_\_\_\_\_ Date \_\_\_\_\_

By checking this box, I certify that I have informed my student that I have selected him for additional testing.

*\* Your student will continue to be tested per the policy and be subject to its guidelines until graduation unless you opt them out of this program by email or letter.*

*\* To maintain transparency and the integrity of the PSI Chapter's program, parents are required to inform their student if this option is chosen.*

Lifeline Solutions, LLC offers additional private & confidential Counseling, Wellness, and Testing Services. If you are interested in learning more about Lifeline, please visit our website at [www.lifelinesolutionsllc.com](http://www.lifelinesolutionsllc.com), or you may contact me directly.
